Kra, Kra!

Biscuits!

You know what's in the box!

Yeaaaah!

But it is not for you!

Kooow?

Ok, but only one piece.

I need the rest.

Kow, kow, kow...

Here!

Kow, kow.

Enjoy!

Thank you!

(children chatting in the distance)

Hi! Have a bisquit– my treat!

But why?

For the New Year!

Ha-ha! You know what date is today?

Sure! January 14th

Then what New Year's? It's long over.

No, our New Year, of the Romany people! We celebrate today.

Dad told us to take nothing from Gypsies!

But why?

Dunno. He warned us, I listen.

But your father doesn't know me! No doubt, he is a big crocodile!

How dare you! My father is cool!

Haha! You missed!

And your father is a big crocodile!

Just you wait!

Catch me if you can!

Apologize! Right now!

I apologize, to your whole crocodile family!

Just you wait!

Ouch!

You see what happened?!

I don't care, it's all your fault!

No! It's all your fault!

This here is my half!

Then stay there, don't cross into mine!

Heeeelp! Help!

Heeelp!

Heelp!

Hey! I know what we need to do!

We need to paddle, look!

Aaaa! So cold!

Ha-ha, you're so stupid! You need a paddle.

Ha ha ha!

It's not funny, don't laugh!

Are you talking to yourself?

No. To the fish.

Stay in your half!

No. I want to see also.

Thank you.

We'll die. And today of all days.

No kidding for this New Year?

No. If you only knew how cool it is...

What do you do?

The whole family is there.

We start with a round bread full of fortune sayings.

We also make that bread for the New Year's!

Then roast chicken.

And fries!

And a cake!

Yeah, chocolate cake!

Then comes Bango Vassil comes and give us presents.

You are mistaken, Santa Claus comes.

No, on our feast comes Bango Vassil.

Who's that?

A limping shepherd with a big fur hat. He comes at midnight.

Have you ever seen him?

Only once when I was very little. I always fall asleep before he comes.

And yesterday I fell asleep too. I had biscuits prepared for him.

Here you are.

Mmm, so tasty!

Right?

Sorry, I didn't want all of this to happen.

I'm sorry too...

Wait!

Why?

We needed a paddle! Here it is!

Yeah, let's paddle to the shore.

The river is pulling us back...

Hold on! We are close.

You hold on too!

Let's rest a bit...

Children, what are doing here in the cold?

Let us sleep

Get up, get up, kids!

When you've been in the cold for a long time, you start freezing and you want to sleep.

Wow!

Bango Vassil!

The shepherd you told?

Mhm

It is so cold...

Look!

The other kids are looking for you.

Should I let you down here?

Yes!

Thank you, Mr, Vassil!

You helped us a lot, thanks!

Bye!

We should tell the others about this, right?

Yes, let's go!

Helloooo!

Here you are!

We were looking for you everywhere!

You won't believe what happened!

We met Bango Vassil!

Let's tell them the story from the beginning.

Ok!

I hope the others will believe their story.

Haha, and you hope the kids will bring you then more biscuits?

Kraa, yeah!
